

# Federal Contract Opportunities Update

Notices for January 14-19, 2025

This update contains summaries of procurement notices issued between January 14-19, 2025 that pertain to hazardous waste, investigation and cleanup of environmental contamination, and related environmental topics. However, it does not necessarily contain EVERY notice on these topics.

If you would like to search for additional current and archived notices, or receive notification of solicitation amendments, please visit the [FedBizOpps web site](#).

## **F -- REMEDIATION SERVICES, VILLAGE OF SCAMMON BAY, AK (COMBINE)**

**SOL:** 140A0525Q0001

**DUE:** January 28, 2025

**NAICS:** 562910. THIS IS AN INDIAN SMALL BUSINESS ECONOMIC ENTERPRISE (ISBEE) SET-ASIDE SPECIFIC TO THE DEPARTMENT OF INTERIOR AND INDIAN HEALTH SERVICES. The Bureau of Indian Affairs requires a contractor to conduct a preliminary investigation/site assessment for decommissioning the old school tank farm within the Village of Scammon Bay, Alaska, to characterize the contamination and design a remediation plan. The work to be performed includes research of documents, site reconnaissance, identification of contamination, risk evaluation, field work, sampling, analysis, data evaluation and additional activities to determine the scope of tank farm infrastructure present at the site and a detailed, itemized cost analysis for removal and disposal. The scope of the investigation shall provide information sufficient to identify potential liability and risk associated with environmental and public health considerations concerning the tank farm. In addition, the site characterization will allow managers to plan further remediation and investigations, if required, to determine cleanup requirements and design a cleanup action in accordance with the Alaska Department of Environmental Conservation (DEC), federal and tribal laws and regulations. Scammon Bay is located on the south bank of the Kun River within the lower Yukon and 525 miles west of Anchorage, Alaska. The Government contemplates awarding a Firm-Fixed-Price (FFP) Purchase Order for this work. All work shall be completed no later than June 30, 2026. OFFERS ARE DUE BY 9:00 AM PST ON JANUARY 28, 2025.
